DEDICATION

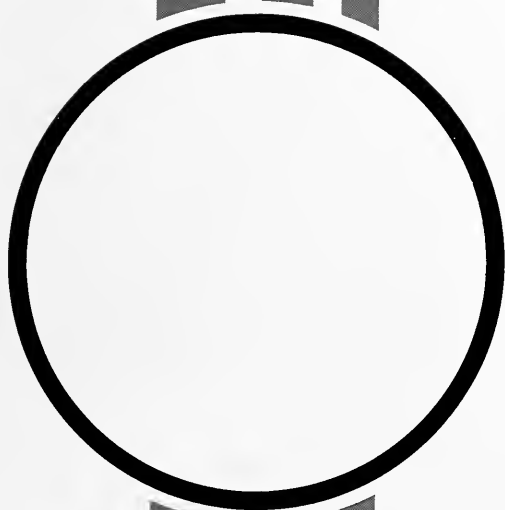

Mr. Edward F. Olechovsky

We the class of 68 dedicate the 1968 Northern Lights to the person who has guided us through our high school years by being our sponsor and teacher.

He has dedicated himself.
He has dedicated his time.
He has dedicated his materials.

. . .to help better our class. The Class of 1968 would like to dedicate our annual to Mr. "O".

ADMINISTRATION
& FACULTY

SUPERINTENDENT'S MESSAGE

To the Graduating Class of 1968

Congratulations Seniors after twelve years of study, joy, sorrow, work and fun you are officially leaving high school to further your education or such employment.

You have made it, but don't confuse it with having it made. You will find that your life will be somewhat the same as it was in high school. You will receive from life what you put forth!

After high school do what you are capable of doing and do it well. Our way of life needs continued support for its survival. Only through your education and support can you help our free, democratic ways survive.

Come back and visit Valier High School any time. You will always be welcome!

Good luck in future years.

"I'm Mr. Lonely"

The Computer Dance was held Jan. 27, 1968. This dance was the first of its kind that was ever held in Valier. The dance was sponsored by the Valier Student Council Association.

There were 95 students and six teachers computed. Those computed filled out questionnaires on their personal selections as an ideal date. The questionnaires were sent to Boston to be computed.

We received the person's number card back and a list of "Ideal Dates." Some had as many as 15 and as few as one. Mr. Sindelar was the most popular boy, and Rick Geiger was the most popular girl. The dance was a smashing success, and I hope this will become an annual event.
